## Assignment of Rights

As Nobel Tıp Kitabevleri Ltd Şti, we do not accept manuscripts (hereinafter referred to as the “Content”) for publication in any journal or title that have previously been published elsewhere.

Your consent to the following assignments of rights, also on behalf of the other authors (if several authors contribute to the manuscript), and the signing of this Copyright Transfer Agreement is a necessary requirement for the publication of your content.

You hereby accept and declare that all types of content that you have created yourself in the above-mentioned article(s), which you have given to Nobel Tıp Kitabevleri Ltd Şti. for creation, belong to you.

The rights of authors of intellectual and artistic works are regulated under the Law on Intellectual and Artistic Works No. 5846 (“Law No. 5846”). The purpose of Law No. 5846 is to establish and protect the moral and financial rights on the products of authors who create intellectual and artistic works in the fields of science and literature, music, fine arts or cinema; to regulate the conditions of exploitation of such products and to determine the sanctions for exploitation in breach of the related rules and procedures.

In accordance with the provisions of this law, you have granted to Nobel Tıp Kitabevleri Ltd Şti. the necessary authorisations for the use of all types of content that you have indicated above, without prejudice to moral rights.

By signing this Agreement, you expressly acknowledge and agree that you assign to us (on behalf of all authors), without geographical or language restriction and for the duration of the legal copyright term, the rights to use your article, for all print runs/updates, including the rights to:

- reproduce and distribute copies of the article in printed form (e.g., in a periodical or journal, medical textbook or other target group oriented book, paperback book, special edition for secondary markets or special customers, brochures, advertising supplements, edited volumes, etc.);
- reproduce and distribute the article in electronic media formats (e.g., CD-Rom, DVD, USB memory stick, databases, cloud-based service, ebook and other forms of electronic publishing) and also make available to the public (e.g., internet, intranet or other wired or wireless data networks), in particular by displaying on stationary or mobile visual display units, monitors, smart phones, tablets or other devices by download (e.g., e-pub, PDF, App) or retrieval in any other form;
- publish ourselves or to authorize the publication of excerpts in other works or articles, in audio-visual accompanying materials or interactive products or services, and including the transfer of rights of use to third parties (e.g., under the terms of licensing agreements);
- translate, transfer and process into other languages or versions (e.g., podcast, audiobook or other image and sound carriers), broadcast by means of television, cable or satellites, radio or other audio-visual media, to rent out and lend, store in an electronic archive and to use in any other type of format that may become known in the future and – where applicable – for all other rights protected by organizations assessing and/or collecting fees for copyright use. Furthermore you assign to us all statutory royalty claims under relevant law insofar we mandate a reproduction rights organization to administer such rights for publishers and authors; we accept the assignments.

## Author / Editor's Declaration

---

I affirm that the content is original and previously unpublished and that neither the content or any material portion thereof is in the public domain.

I affirm that I (and my coauthors) have obtained written permission for unrestricted use of any previously copyrighted material included in the content and that I shall deliver each such permission to the publisher.

I warrant that the content has not been published elsewhere in whole or in part; that I have not given anyone else permission to publish or otherwise exploit any part of the content, including in any other manuscript; and that the content is not currently under consideration or accepted for publication elsewhere in its, or any other, format.

I (and my coauthors) hereby assign and transfer to the publisher all rights of copyright ownership and permissions to the content, including without limitation or restriction, all rights of reproduction, derivation, distribution, sale, reuse, translation and display of the content,
